

Up to date: 11 January 2024

Name & Family

Parvaneh Esfahani

Contact Information:

Addresses: Department of health care services management, school of public health, Zabol University of Medical Sciences, Zabol, Iran

Academic Rank: Associate Professor

Education

- MS.C: Healthcare services management, Kerman University of Medical Sciences, Kerman, Iran, 2012
 - Ph.D: Healthcare services management, Tehran University of Medical Sciences, Tehran, Iran, 2018
-

Language skills:

- English: speaking: Good reading: Good writing: Good
 - Persian: speaking: Native reading: Native writing: Native
-

Awards & Honors:

- The first student of healthcare services management, Zabol University of Medical Sciences, Zabol, Iran, 2007.
- The third student of healthcare services management, Zabol University of Medical Sciences, Zabol, Iran, 2008.
- 4th rank in health care management in PhD. entrance exam of Ministry of Health and Medical Education

- Top researcher in Zabol University of Medical Sciences, Zabol, Iran, 2023.

Experiences:

- 2018- present: Faculty member, school of public health, Zabol University of Medical Sciences, Zabol, Iran.

Course Teaching:

- Apprenticeship 2 for students of healthcare services management, Kerman, Iran.
- Medical equipment for students of healthcare services management, Zabol, Iran.
- Hospital management and organization for students of healthcare services management, Zabol, Iran
- Communication for students of healthcare services management, Zabol, Iran.
- Apprenticeship 3 for students of healthcare services management, Zabol, Iran.
- Specific language 2 for students of healthcare services management, Zabol, Iran.
- Research method for students of healthcare services management, Zabol, Iran.
- OB for students of healthcare services management, Zabol, Iran.
- Health planning for students of healthcare services management, Zabol, Iran.
- Apprenticeship 1 for students of healthcare services management, Zabol, Iran.
- Management principle for students of healthcare services management, Zabol, Iran.
- Apprenticeship 4 for students of healthcare services management, Zabol, Iran.
- Research method for students of healthcare services management, Zabol, Iran.
- Health planning for students of public health, Zabol, Iran.
- Principles of hospitals designing, equipping and developing for students of healthcare services management, Zabol, Iran.
- Specific language 1 for students of healthcare services management, Zabol, Iran.
- Health services principle for students of pharmacy, Zabol, Iran.
- Hospital standards for students of healthcare services management, Zabol, Iran.
- Hospital designing and developing for Iran.

Workshops:

- Attending in essay writing workshop, Kerman University of Medical Sciences, December 2010.
- Attending in ergonomic workshop, Zabol University of Medical Sciences, Health network, July 2010.
- Attending in advanced search workshop, Kerman University of Medical Sciences, 2011.
- Attending in operational planning workshop, Tehran University of Medical Sciences, 2013.
- Attending in advanced teaching methods workshop Tehran University of Medical Sciences, 2016.
- Attending in Scientific Search Strategies Workshop, Tehran University of Medical Sciences. November 2017.
- Attending in advanced search workshop, Zabol University of Medical Sciences, 2018.
- Attending in Information Systems Workshop, Zabol University of Medical Sciences, 2018.
- Attending in elementary teaching methods workshop, Zabol University of Medical Sciences, 2018.
- Attending in co-operation of professors, Zabol University of Medical Sciences, 2018.
- Lecturer in policy workshop, Zabol University of Medical Sciences, 2019
- Lecturer in proposal writing1 workshop , Zabol University of Medical Sciences, 2019
- Lecturer in proposal writing2 workshop , Zabol University of Medical Sciences, 2019
- Lecturer in RCA workshop, Zabol University of Medical Sciences, 2019
- Lecturer in operational planning workshop , Zabol University of Medical Sciences, 2019
- Attending in Information Systems Workshop, Zabol University of Medical Sciences, 2019.
- Lecturer in executive procedure workshop , Zabol University of Medical Sciences, 2019
- Attending in workshopping of studies centers, 2023& 2024
